Subject: RE: Fish Interview with Governor

Commissioner,

It appears as though one of my emails didn't make it to you – it would be great if you could be present during Thursday's interview. With your presence there and the topic at-hand, I'd also like to extend an invitation for a fish interview with Wesley Loy at ADN (since he asked last December / January / and February for the same opportunity). That call could immediately follow. Ben needs 15-20 minutes – we could give Wesley the same. The window is from 1pm to 2pm right now – so both could comfortably fit within that time frame.

Assuming that you both were able to tackle some of the topics below during yesterday's meeting, if you could be at the Governor's office 10-15 minutes ahead, that would be great. If you were unable to discuss the questions below, then I'd suggest adequate time to discuss the questions – perhaps an hour before?

Thank you,
Meghan

Meghan:

I haven't yet changed my travel arrangements to Anchorage/Kodiak for this Thursday, but I will if you and the Governor would like me present before/during the fish interviews on Thursday. If so, what time should I come up?

DL.

Subject: TV Interview Tomorrow

Bill McAllister just called me. He was quite sick today and unable to make it to Juneau. With the first day of AGIA hearings, he will be covering the hearings tomorrow for his story.

However, he would love to spend a few minutes with the Governor to talk about the first 100 days. He'll be heading in on the first flight - so perhaps sometime between 11am and 2pm would work? It most likely won't be a big story - overshadowed by AGIA. But it's our bill, so that's good, too.

Governor, please let us know if we can squeeze him in. Kari, please let us know when might be best.

Thanks,

Meghan

Subject: Fisheries Appointments - CONFIDENTIAL

I have now heard back from the State Department in response to our inquiry concerning appointments to the North Pacific Anadromous Fish Commission and the Bering Sea Fisheries Advisory Board.

Privileged or Personal should send letters of resignation to the President for the NPAFC since the President is the appointing authority under the federal statute. Privileged or I's resignation letter from the BSFAB should be sent to the Secretary of State, who is the appointing authority. There are procedures if Privileged or I refuses to resign, but hopefully this will not be a problem.

In the case of the NPAFC, the Governor should recommend one person, with resume, to the President. Regarding the BSFAB, the letter should recommend two names for the single vacancy and that letter should be sent to the Secretary of State. The Governor can indicate her preference, but the enabling statute requires at least two recommendations for each vacancy.

Because the NPAFC involves the White House, there can be a considerable lapse of time between recommendation and appointment. In these situations, the State Department will appoint the Governor's recommended person as an alternate pending final White House action. The replacement process for the BSFAB will go more quickly, because only the State Department is involved.

We should copy Amanda Johnson Miller at the State Department with the appointment packages for the two bodies. She will help coordinate and expedite the appointment processes. The packages should include Privileged or Person's letters of resignation.

Attached are copies of the enabling statutes and a sample letter of recommended appointments to the BSFAB. If you need further assistance, please let me know.

Please note that my email address has changed. My new email address is jwkatz@alaskadc.org.
Thank you .
